

Transparent coverage. No surprises.

The Cost Breakdown

Plan Type	Typical Patient Cost	Notes
Medicare Part B	\$0	Covered fully
Medicare Advantage	\$0 or small copay	Varies by plan
Commercial plans	\$285	Based on plan deductible, coinsurance, and copays No balance billing

What Happens Next

- 1 Your physician orders the Artera test.
- 2 We verify your coverage and estimated cost before billing.
- 3 If your estimated cost is greater than \$285, you'll receive a call from us to discuss payment options, including our self-pay rate and financial assistance program.
